Officers Report:

Chief Schneider emailed the board a copy of a Resolution the county is asking the Fire Districts and Ambulance District to support. It is a ½ cent sales tax already in place. However, the green light program we have been working will be affected by the outcome of this tax. The green light program has been offered by the county on a three-year grant. If this is passes in April the county will commit to sustain the program. Chief Schneider stated he will look for approval at the next board meeting. Chief Schneider also asked Max to pass on to the shop. Director Grassmuck asked if the local will support as well. Father Fischer was interviewed this morning. They took information out of Lexipol to go over. Father Fischer seems energetic in playing a role. Several of members and various parishioners have recommend. Chief Schneider asked him to take a few weeks and would like to bring him in front of the board.
